Cairo

Egypt

Enjoy a unique experience taking advantage of every moment of your vacation with a perfectly organized tour by Cairo Top Tours just to offer you an ideal service and make you live unforgettable memories, this half-day tour of Cairo gives you the opportunity to see one of the seven wonders of the world, the Nercoplis of El Giza, where you will be able to see the following:

In the area of the Pyramids of Giza, you can see the Great Pyramid and the Pyramid of Khufu and are considered of the pyramids so great that they were built in Egypt and became two famous symbols of Egypt abroad, is that the Great Pyramid was so famous in the Helenist era and was also classified one of the seven wonderful of the world and the only one that is still in existence.

The Giza Pyramids complex includes the Great Pyramid, also called the Pyramid of Cheops, which was constructed between 2580 and 2560 BC; the smaller Pyramid of Khafre, which is situated a few hundred meters to the southwest; and the relatively small Pyramid of Menkaure, which is situated a few hundred meters to the southwest. On the eastern side of the compound stands the Great Sphinx, whose head is universally regarded by Egyptologists as a representation of King Khafre's head.

The complex consists of several smaller auxiliary structures, referred to as "queen" pyramids, bridges, and temples in addition to these major monuments.

# Giza Pyramids and Sphinx Half Day Excursion

If you are interested in learning about the country's history and civilization, Cairo Top Tours will be your ideal destination because it offers you excellent service with a very professional, certified guide who will give you all the information you need to know about the country of the Pharaohs.

In the morning, at the time arranged with your tour operator, our professional guide and our representative will meet you at your hotel in Cairo and Giza to start your visit with the Sphinx. The history of the Sphinx dates back to the reign of King Khafra, and during the New Kingdom, Amenhotep II dedicated a new temple to Horon-Harem Acht, and later rulers added to it.

After that, you will start another exciting adventure to the three world-famous pyramids. After that, we will start another fun adventure to the three world-famous pyramids.

Then, we will see the Khufu pyramid. King Khufu ruled after his father, Sneferu, and his mother was Queen Hetep Haras I. Khufu's reign dates from around 2650 BC, and his short name is "Khnum Khu Af Oy," which means "Khnum is the one who protects me." The Great Pyramid of Giza is one of the Seven Wonders of the Ancient World that has survived. Khufu built the Great Pyramid of Giza, the largest building on Earth and the only remaining of the Seven Wonders of the Ancient World.

To witness the magnificence of our Egyptian forefathers, we will lastly visit the Pyramids of Khafra and Mankaora.  
ancestors.

After a half day of exploration, we return you to your hotel.
