A Wondrous Visit to the Pyramids and Saqqara from Port Said

A dormant journey is being offered from Port Said to the famed Giza Pyramids and the ancient necropolis of Saqqara. This full-day tour provides an elaborate exploration of Egypt's mesmerizing history, architecture, and culture, vividly brought to life by the appreciated insights of your guide and the view of the more stratified of the resources customarily identified as the icons of the nation.

The adventure kicks off at the Giza Plateau, where you will find yourself face-to-face with the astonishing Great Pyramid of Khufu, one of the Seven Wonders of the Ancient World. Proceed to view the Pyramid of Khafre, Pyramid of Menkaure, and the famed Great Sphinx, all symbols of silent power and enigma over the centuries. Have a photo session and learn about the engineering accomplishments, which have been around the test of time for more than 4,500 years.

The journey continues at Saqqara, home to the Step Pyramid of Djoser, the world's first monumental stone structure, designed by the superior architect Imhotep. Here, wander across vast burial grounds of where ancient pharaohs and nobles were laid to rest while admiring elaborately anointed tombs that narrate of daily life in ancient Egypt.

Expert stories and historical insights will be narrated by your Egyptologist guide on the way, setting the history alive. You will be transported under air-conditioned comfort, with a tasty local lunch set for treating you with splendor as you behold the ancient wonders of Egypt.

Giza Pyramids and Saqqara Tour from Port Said

Reputable excursion calls for a trip from Port Said - to two of the ancient sites of Egypt. This tour is for every enthusiast aiming to learn more about the great history and architecture of ancient Egypt. You will have the chance of exploring the construction, significance, and legacies of the great Giza pyramids built by Pharaohs Khufu, Khafre, and Menkaure. The pyramid of Khufu is perhaps the most breath-taking example of engineering marvels; The Great Pyramid remained the tallest structure in the world for 3,800 years. The pyramids were built using millions of stone blocks, some weighing more than 15 tons. The pyramids are characterized by their precise alignment with the four cardinal directions (north, south, east, west). still, the great sphinx will continue to captivate you through its timeless mystery.

This is followed up by a tour to the famous Saqqara, where stands the Step Pyramid of Djoser, an action that revolutionized the whole concept of pyramid construction. Breathe the air within the extensive necropolis, take a walk down the halls beneath the desolate tombs of the nobles and see the highly preserved engravings and paintings of customs, traditions, and day- to-day life of ancient Egyptians. Home to the Sacred Animal Cemetery, which contains mummies of sacred bulls and calves.

You shall also get access to the Pyramid of Teti, which is one of the most ancient and important pyramids in the area.
