From Hurghada to Abu Simbel, one of the most enchanting of ancient Egypt's wonders, enjoy a riveting journey. Traveling in style south through the desert, watch the grand sun rise out of the sands. After arrival, spent exploring in awe two of Egypt's most fantastic temples of Ramses II and his consort, Nefertari, riveted with rock carvings and colossal statuaries. Just as the expert guide will enlighten you on the UNESCO-heritage treasures, you can start a drive back, with a detailed and beautiful memory of ancient Egypt.

Standing as host to two of the greatest and most iconic temples in Egypt, Abu Simbel, this tour takes Hurghada travelers to the bygone days of Ramses II and his queen eternally loved, Nefertari. Being cut out of the solid rock at a time when the land was vulnerable to flooding, the engineering nightmare that preserved these two temples presented itself to tourism at quiet Lake Nasser. The tour is convenient and designed to fit into your travel schedule, exploring time with historical lessons and testing the adventure.

Indulge in a luxurious trip from Hurghada to Abu Simbel in which history perfectly blends with the ultimate leisure. Revel in the comfort of your private transfer or take a quick domestic flight. Love gazes at Ramses II's temple, where hieroglyphs stand as living memories of its golden history. Rock-hewn temples are a tour delight, even as a whisper from the locals brings back the sense of time. The return journey from Abu Simbel to Hurghada is peaceful and lovable.

- Other Egypt tours besides the ones already mentioned are an open option.
- The tip is not included.
- Something for you to spend.

- Drink with your meals - only with meals.

[Itinerary](#)

Day 1: Transfer to Aswan

Your journey begins with a nice pickup from the hotel in Hurghada, accompanied by our professional tour leader along a scenic train ride to Aswan. While southward are several hours of travel, gradually begin to feel the thrill of witnessing Egypt's beautiful history. Entering the Nubian land, your guide will be there waiting for you, taking you on to the first interesting site of the nearly inexhaustible itinerary.

You will first proceed to the gigantic temple of the High Dam, a paragon of modern engineering that altered Egypt's economy and appearance forever. Learn how this behemoth constrains the flow of the Nile to avert flooding, at the same time supplying power to millions. Standing atop the dam, enjoy awe-inspiring views of Lake Nasser, one of the largest artificial lakes on the planet.

Then walk into the heart of an ancient quarry containing the Unfinished Obelisk incredible monument that helps to shed light on the Pharaohs' building techniques. This massive structure was carved out of the bedrock and remains somewhat attached to it due to a visible crack that intervened on its path to completion. Your guide will regale you with the backstory of this fascinating undertaking that went ambitiously wrong.

Next is sailing across the peaceful waters of the Nile to the enthralling Philae Temple, home of the goddess Isis. Set on an island, this sacred place has splendid engravings that depict the mythical tale of Osiris. Stroll in the great halls of the temple, admire the carved hieroglyphs, and sense the spirit of one of Egypt's best-beloved temples.

After a day of endless discovery, lunch is served before you relax some more and get ready for the next chapter in your journey.

Day 2: Tour to Abu Simble

Rise early and feast on a lovely breakfast before checking out of your hotel for an unforgettable journey to Abu Simbel. Enjoy the scenic drive to one of Egypt's most remarkable ancient wonders while the sun rises over the desert.

Upon arrival, stand in awe at the splendor of the Abu Simbel temples hewn from the cliffs by Pharaoh Ramses II. These temples dedicated to the gods Amun, Ra-Horakhty, and Ptah represent some of the greatest architectural and artistic achievements of the ancient Egyptian civilization, with their magnificent carvings, gigantic statues, and an interior glorious in decorated ancient walls and hieroglyphs. The rich history of these temples, including their relocation to save them from the rising waters of Lake Nasser, adds to their fabled status.

The return trip to Aswan will commence after having indulged in the glorious sights of this ancient masterpiece, where lunch shall be waiting. A leisurely journey back to Hurghada will mark the end of this once-in-a-lifetime experience filled with the wonders of ancient Egypt.
