## Day tour to Hurghada Grand Aquarium

Our driver will pick you up from your accommodation and take you to the Grand Aquarium in Hurghada. Grand Aquarium Hurghada is considered an include aquarium in the Hurghada city in the Red Sea Governorate of Egypt. It was opened to the public in 2015.

The aquarium has 22 aquariums and has a 24 meter long tunnel that offers visitors a unique portrayal of life underwater. Besides the fishes, the project is combined with a garden comprised of exotic animals and birds as well as a rainforest. The aquarium is the largest of its kind in Egypt and Africa.

Hurghada Grand Aquarium accomodates thousands of marine species and is considered one-of-a-kind because of its rainforest theme. There is heavy rainfall in the intertwined trees and open forest similar to the African ones, which houses the most beautiful animals and birds ostriches, pelicans, flamingos, peacocks, bats, African ducks, desert turtles, Eurasian owls, crocodiles, pythons, anacondas, eagles, and monkeys.

Hurghada Aquarium gives its guests the chance to experience oneness with nature by providing a simulation of marine life with sea creatures swimming above them. It is the first sought after marine aquarium and zoo project in the Red Sea. After the tour, you will be taken back to your hotel to unwind.
