[Itinerary](#)

Day use in Fayoum

At the beginning of your day, you will be taken from your hotel in Cairo for a One-day trip to [Fayoum](#) from Cairo by a private AC Vehicle with a professional Cairo top tours tour leader, then start your visits.

Lahoun Pyramid:

The pyramid is located in Fayoum Governorate, with a length of 48 meters. The pyramid is built of mud bricks on a high hill, and its inner core is all blocks of rock. Below the pyramid, there are corridors leading to the chamber where King Senusret II was buried.

Hawara pyramid:

The pyramid of Hawara is one of the pyramids of Egypt. It was built by the pharaoh of Egypt Amenemhat III of the 12th Dynasty in the village of Hawara, 9 km southeast of the city of Faiyum. It is made of mud bricks covered with limestone.

Kom Oshim museum:

Kom Oshim Museum is a museum dedicated to displaying archaeological remains, statues, and artifacts, the most prominent of which is a group of mummy images that were found in Fayoum, which belong to the inhabitants of the Ptolemaic town of Karanis, and visitors from groups or even individuals can tour the museum, see the displayed pieces and read the identification panels specific to each piece.

then you will be having your tasty lunch in an oriental restaurant.

and then have a felucca ride in the great [Nile river](#).

then you will be taken to the drop-off location which will be our end of service.
