[Itinerary](#)

amazing day to Luxor from Safaga port

Your Safaga Shore Excursions will begin when the tour guide picks you up at Safaga Port near the ship's exit door. We will then begin our nearly three-hour drive to Luxor. You will start by going to the [Luxor Temple](#) first. The Egyptian temple makes it very evident that this is one of the most gorgeous and well-preserved Egyptian temples. Also, as you continue your journey, you'll arrive at one of Luxor's most majestic locations, the [Valley of the Kings](#), which is home to our ancient monarchs' royal tombs. The first ruler to occupy that position was Tutmosis I of the 18th dynasty. The Valley of the Gates of the Kings is where it is located, in the southern part of Egypt. You will also continue your journey by visiting one of the most well-known tombs, that of Nefertari, which is situated in the [Valley of the Queen's Temple](#) and is sometimes referred to as the cornerstone of West Thebes. Also, you can continue your journey by going to Dra Abu El Naga, which is a lovely location in Luxor. Also, you'll continue your journey by touring [the Ramesseum in Luxor](#) Temple, which originally stood on the West Bank of the Nile and was the most impressive temple complex there. A large field of ridges, holes, broken foundations, and pieces of statuary mark out where the rest of the complex

once stood. A few groups of pillars and a few damaged statues remain in the area. You can continue your travel by going to Two incredibly huge statues known as the [Colossi of Memnon](#) belonging to Pharaoh Amenhotep III. immediately following your trip, your guide will accompany you back to the ship to Safaga Port (approximately 220km).
