## Agafay Desert: Quad Bike, Camel Ride, and Dinner Show

This is a plan for what we will do with this product. We will stop at a place called Agafay in the Marrakech-Safi region. Spend a fun afternoon in Marrakesh doing real activities like riding a camel and quad bike in the desert. Then, enjoy a yummy dinner and watch the sunset by a cozy fire. Ride a camel and feel the excitement of driving a quad bike. See the beautiful sunset and have dinner in a tent. Discover the Agafay Desert. Duration means how long something lasts. So for example, if something lasts for 6 hours, that means it will be happening or existing for 6 hours.
