Upon arrival at Cairo International Airport, you'll be greeted by our representative and start your fantastic Budget Cairo Stopover Tour in a private vehicle with an Egyptologist guide.

Your tour will begin with a visit to the Giza Pyramids, built by the renowned fourth dynasty monarchs: Cheops, Chephren, and Mycerinus. You'll also see the Great Sphinx, a colossal statue with a lion's body and a human head. Next, explore the Valley Temple, which was used for the mummification of Pharaohs.

Continue with a visit to the Egyptian Museum in downtown Cairo, home to the largest and most valuable collection of Egyptian artifacts, including over 250,000 items such as Tutankhamun's treasures, spanning more than 6,000 years of Egyptian history. If time permits, we will also visit Khan El Khalili, Cairo's oldest bazaar, where you can shop for gifts and antiques and enjoy a traditional mint tea at the historic Al-Fishawy café.

After your Cairo tour, you will be transferred back to the airport. We hope you enjoyed your experience with Cairo Top Tours.
