A professional tour leader from Cairo Top Tours will meet you inside the airport terminal, holding a sign with your name for easy recognition. They will assist you with all the necessary arrangements at Cairo International Airport to begin your transit tour during your layover in Cairo.

You'll be transported to start our Giza day tours, where you'll visit the last remaining wonder of the ancient Seven Wonders of the World. Your journey begins at the Giza Pyramids, starting with the Pyramid of Cheops, built by the second Pharaoh of the Fourth Dynasty of the Old Kingdom and son of Seneferu. Learn about the construction methods and historical significance of these magnificent structures.

Explore the nearby pyramids of Khafra (Chephren) and Menkuare (Mycerinus), which features a unique granite casing. You'll also see the iconic Sphinx and the Valley Temple, which was used for the mummification rituals of the kings.

Next, head to the Egyptian Museum to explore its remarkable collection of Egyptian antiquities from the Pharaonic and Greco-Roman periods. Marvel at over 120,000 artifacts, including statues of Ramses II, Amenhotep III, Thutmose III, and other significant figures from ancient Egyptian history, as well as the famous golden treasures of Tutankhamun. The museum displays items that were discovered in various tombs and preserved under the desert sands for over 3,500 years before being excavated and moved to Cairo for public viewing.

Savor a delightful lunch at a local restaurant. If time allows before your departure, explore our Islamic Cairo tours. Admire the domes and minarets of medieval mosques and stroll through the historic stone pathways of El Moez Street, which dates back to the 10th century. Conclude your Cairo walking tour with a relaxing drink at Fishawy, one of the oldest cafes in Khan El Khalili.

After your Cairo day trip from Cairo International Airport, our team will ensure you have a smooth transfer back to the airport for your onward journey.
