Exploring the fascinating sites in Alexandria! After a nice breakfast, we'll head there from Cairo.

First up is the remarkable Catacombs of the Kom El Shoqafa underground tomb complex. Seeing the intricately carved burial chambers will bring history to life. We'll also check out Pompey's Pillar before reaching the scenic Citadel.

The new Library of Alexandria promises to be truly impressive. What an interesting place housed in such a beautiful building. Learning about its ancient role will be insightful.
