Day 2: Giza Pyramids, Saqqara, and Memphis

After breakfast at the hotel, meet your certified tour guide and begin your exploration of the Giza Pyramids, where the majestic pyramids of Egypt rise in splendour. You'll visit the Great Pyramid of King Cheops, the pyramid of his son Chephren, and the final one belonging to his grandson Mycerinus (or Menkaure). From the plateau, you'll enjoy a panoramic view of the entire Giza Pyramids area and have the option to experience a camel ride.

Next, explore the Valley Temple and the Great Sphinx within King Chephren's funerary complex. This mummification temple was used for rituals such as the opening of the mouth. You'll be guided through a passageway to get a close view of the grand statue of the man-headed lion, carved from bedrock as a guardian figure. Your guide will explain the significance of sphinxes in ancient Egyptian culture.

Enjoy a delightful lunch at one of the finest restaurants with a view of the pyramids. Afterward, continue your Cairo excursions to the Saqqara necropolis, home to the earliest stone pyramids, including the Step Pyramid of King Djoser, designed by the renowned architect Imhotep.

You'll also have the opportunity to enter King Teti's pyramid and visit the tomb of Kagemni, a noble from the 6th dynasty. The tomb features an impressive array of well-preserved scenes of animals and offerings.

Your final stop will be the ancient city of Memphis, now known as Mit Rahina, where you'll visit the open-air museum showcasing artifacts and statues, including those of King Ramses II and the alabaster sphinx of Memphis.

After your day's sightseeing, you'll be transported back to your hotel.
