Day 1: Arrival, Giza Pyramids and Saqqara Necropolis

Upon arrival at Cairo International Airport, you will be met by our representative and transferred by private vehicle to your hotel in Cairo or Giza for check-in. Once you've settled in and left your luggage, you'll begin your Budget Cairo 3 Days Stopover Tour.

Start with a visit to the Pyramids of Giza, where you'll explore Egypt's most iconic pyramids. The Great Pyramid of King Cheops, located on the Giza Plateau near Cairo, is a lasting symbol of Egypt and the only surviving ancient Wonder of the World. Built during the reign of the Fourth Dynasty King Khufu, this monumental structure took twenty years to complete. You also have the option to enjoy a camel ride around the pyramids for an hour.

Next, visit the Valley Temple of King Chephren and the Great Sphinx, a monumental statue with the body of a lion and the head of a man, representing strength and wisdom.

Continue to the necropolis of Saqqara to see the Step Pyramid of King Djoser, constructed under the guidance of the renowned architect Imhotep. This six-tiered, four-sided pyramid is considered the first major stone building in Egypt. You'll also have the chance to enter one of the pyramids in Saqqara, such as the Pyramid of Teti, and explore the tomb of Kagemni, a noble from the 6th Dynasty. The tomb features exquisite wall inscriptions depicting scenes of animals, fish, and birds in offering and hunting scenarios, showcasing some of the finest ancient Egyptian art.

After a delightful lunch at a local restaurant, you will return to the hotel to check in and spend the night in Cairo.

Day 2: Egyptian Museum, Coptic Cairo, Khan El Khalili Bazaar

After enjoying a delicious breakfast at the hotel, you will meet your licensed tour guide to embark on an exciting Cairo city tour. Begin with a visit to the renowned Egyptian Museum in Tahrir Square, where you will explore an extensive collection of artifacts from various periods. On a guided tour lasting approximately 2 hours, you'll see the impressive statues of Ramses II, the golden mask of Tutankhamun, and other significant treasures.

Next, head to Old Cairo for your Coptic Cairo tour. Visit the Hanging Church, built atop the remains of the Roman fortress of Babylon, and explore the Cavern Church of St. Sergius, where the Holy Family is believed to have taken refuge. You'll also visit the Synagogue of Ben Ezra, one of the oldest Jewish temples in the Middle East.

Enjoy a tasty lunch before exploring a famous market in the Islamic Cairo area. This vibrant bazaar is a major attraction for both tourists and locals, featuring numerous craftsmen and workshops producing traditional crafts and souvenirs. Take the opportunity to experience a local café, sip on mint tea, or simply wander the streets to admire the monumental Islamic architecture.

Return to your hotel after your Cairo excursions for an overnight stay.
