Your Cairo Top Tours guide will meet you at your hotel to start your Egypt Day Tour to Luxor by flight from Sharm El Sheikh. You'll be transferred to the airport for your flight to Luxor. Upon arrival, your expert guide will greet you with a sign and take you on a tour of Luxor, beginning with the impressive Karnak Temple, the most notable temple in ancient Thebes, now Luxor. This temple was built and expanded by many pharaohs as a symbol of their civilization's greatness. Next, visit the magnificent Luxor Temple, constructed 3400 years ago during the New Kingdom.

Enjoy a delicious lunch at a local restaurant before continuing to the west bank of Luxor. Here, you'll explore the Valley of the Kings, where pharaohs were buried for nearly 500 years. These tombs, carved into the Theban mountains, are richly decorated and were filled with treasures meant for the afterlife. If you wish, you can purchase an extra ticket to visit the tomb of Tutankhamun. Finally, you'll stop for photos at the Colossi of Memnon, the only remaining statues from the mortuary temple of Amenhotep III.

After your tour, you'll be transferred to Luxor Airport for your flight back to Sharm El Sheikh, where your guide and driver will take you back to your hotel.
